

**SCOUT  
PROGRAM  
OFFERINGS  
at HANDS ON**

**Tricks n Tips on Tiles**

Learn several different painting techniques which you can use to create a tile mural using 4.25" tiles. Each scout will create an 8"x8" mural than can be mounted on backer board or hung on the wall. Includes: technique instruction, materials, glazing & firing. **\$16 per child**

**Claytime**

Learn how to handle and store clay and about the different hand-building techniques, such as pinch, coil, and slab. Make an animal mask and a bowl/flower pot. Tour our kiln room and learn about different types of glazes and how we fire your projects. Includes: instruction, materials, glazing and firing.

**\$15 per child; 2 sessions required**

**Bring Your  
Troop in for your  
Christmas Party!**

Our calendar is online at [www.handsonstudio.com](http://www.handsonstudio.com)

**Fused Glass Frenzy**

Learn the basics about working with glass, including the different types of glass, how to cut glass and the various ways of firing glass. Each person will complete one fused glass project (chosen by the group leader at the time of the initial reservation). Choices include but are not limited to coasters, nightlights and suncatchers. Includes: instruction, materials and firing.

**\$12 per child**

**Mosaic Madness**

Mosaic is an ancient art and versatile process that can transform any ordinary frame, mirror, vase or dish into a beautiful work of art. Learn the basic techniques involved in creating a mosaic masterpiece. Project choices include a photo mosaic, suncatcher or mosaic wall plaque. Includes: instruction and materials.

**\$15 per person; 2 sessions may be required**

**U-Pick Projects**

Can't find the right thing for your group from our project list. Just pick from our wide variety of pottery, mosaic, and glass projects and we'll make it work.

**Special Studio Fee:  
\$2 per painter plus 10%  
off pieces for groups of  
6 or more.**
